

The Dr. Bonnie Cameron Post-Secondary Scholarship - 2018

Purpose and Award

The Dr. Bonnie Cameron Post-Secondary Scholarship program is in its fifth year and hopes to assist students living with arthritis in achieving their educational goals. It is presented by Runanthropic.org in honour of the inspiring work and dedication of Dr. Cameron and the entire Rheumatology staff at SickKids Hospital. The scholarship award is \$2,500.

Runanthropic was born out of the idea that as a community, runners thrive on helping others achieve their goals. Whether it be by sharing training tips, nutrition information, articles, websites, great races, or whatever! Runners also want to make a difference in their own communities. Raising money and awareness for the causes that are important to and inspire them. Runanthropic.org is the Runners' Philanthropy site.
